

**Kirkland Tourism Program  
Request for Qualifications  
Marketing and Public Relations Consultant  
Job # 33-14-CMO**

The City of Kirkland Tourism program seeks a marketing and public relations consultant to support and enhance the work of the Tourism Team by providing expertise and assistance.

## **I. BACKGROUND**

The City of Kirkland's Tourism program is funded by Lodging Taxes and overseen by the Tourism Development Committee (formerly called the Lodging Tax Advisory Committee or LTAC). It is managed by the City's Economic Development Manager, located in the City Manager's Office. The primary goal of Kirkland's Tourism Program is to attract visitors that will stay in Kirkland's lodging establishments.

It does this by:

- Conducting extensive media outreach to regional and national publications that feature Kirkland's various assets including the waterfront and water activities, arts scene and public art, boutique shopping, hotels and dining establishments, parks and recreation activities
- Supporting events that draw overnight stays
- Maintaining a current and informative tourism website ([explorekirkland.com](http://explorekirkland.com))
- Maintaining a social media strategy
- Marketing Kirkland as a destination by developing targeted marketing and ad materials
- Developing and distributing visitor, event and dining guides, maps, and general information
- Developing and distributing monthly electronic event guides
- Developing tourism resources and partners through a quarterly networking meeting

The primary markets (regional/national) for the City of Kirkland's Tourism Program include:

1. Visitors (e.g. tourists—including day and overnight visitors, and corporate business travelers)
2. Professional Planners (e.g. meeting, wedding, and travel)
3. Media (e.g. business, travel, lifestyle, and wedding)

A 2009 branding study concluded that the biggest draw for visitors to Kirkland is the waterfront. Additionally, Kirkland refreshed the study quite recently and the findings demonstrated that an accessible waterfront and walkable downtown remain dominant tourism assets as well as the ample recreational offerings including water recreation (boating, kayaking, paddle boarding), cycling and hiking. Dining, shopping and art experiences are all strong reasons to come to Kirkland and could be refreshed and expanded.

The major initiatives for the Tourism Program this coming year are:
